

The summer of 1968 was a turning point for Dean Howell as he trusted Jesus Christ as his personal savior. Growing up in a Christian home gave him the advantage of focusing on God's will for his life. After graduating from Gateway Christian Academy in Garland, Texas in 1979 he then enrolled at Hyles Anderson College where he completed three semesters. Later he joined the U.S. Marines and spent one tour in Beirut, Lebanon. The Lord blessed him with a wonderful Christian wife, Tammi, and 4 wonderful boys. He finished his Bachelor of Arts degree at Northland Baptist Bible College in 1997 and became the Pastor of Grace Baptist Church in June 1998. He is currently working on his Master's degree from West Coast Baptist College. Pastor Howell's Passion is not just for the Madison area but for all the countries around the World.
